

## Honesty Main Requirement When Convict Asks Parole

This is the second of a series of three articles describing the operations of the state parole board, which is now a center of statewide interest as the result of an investigation into charges that prisoners have been released allegedly through the efforts of a "parole broker." Guy, Haver is presiding over the board.

By The Associated Press

COLUMBUS, O., Sept. 24—The state parole board places great emphasis on truth and honesty of prisoners seeking release from Ohio penal institutions.

The board believes that a prisoner who does not tell the truth during the parole board hearing is not ready for release. Frequently the truth of parole board applicants' statements is determined by asking questions to which board members know the answers.

Recently, a prisoner who was asked how many robberies he had committed replied, "At least 25 or 30."

"A very good reply," said C. L. Haslop, board member, "for it shows you were more honest with us than with the trial judge. The court records show you were accused of 23 robberies."

The board also emphasizes straight thinking, for members believe that only through clear thoughts can a former criminal see the error of his ways and determine not to recommit crimes.

Hearings are held in a special hearing room in each of the four institutions, the men's reformatory at Mansfield, women's reformatory at Marysville, the prison farm at London and the Ohio penitentiary in Columbus. Attorneys are not permitted to represent a prisoner at hearings, but friends and relatives may speak on his behalf.

Final decisions are made by the board nearly every day. One prisoner who appeared for parole at Ohio penitentiary had served in four other penal institutions. He

had been in the Ohio penitentiary nearly seven years.

"Your case is a tough one to crack," Haslop told him.

"It would seem by now that you would have learned that crime does not pay."

"Yes, I guess so," the prisoner mumbled.

His attitude indicated that he did not greatly care whether he was released, and board members said his type was considered easily tempted to commit other crimes. However, the board pointed out that his prison record was good and he was entitled to a release.

"If we kept this type in prison the institution room would be filled to overflowing," said Charles H. Sharp, another member of the board.

Prisoners who are feeble-minded, infected with syphilis or likely to become insane are serious parole board problems. Often feeble-minded prisoners are transferred to a state mental institution. The board has a firm rule not to parole a syphilitic person unless the disease has become non-infectious.

The board has found that good conduct in prison does not necessarily mean good conduct outside. Robert Cornelio, a bandit shot to death in a battle with police near Springfield, O., Sept. 3, was believed by London prison farm officials to be one of their best behaved prisoners.

## SOY BEANS REACH HEIGHT OF FENCE

An unusual stand of soy beans on a farm southeast of Marion on the Whetstone river road was reported this fall. The beans, grown for hay on three and three-quarter acres, grew as high as the fence posts, about four feet, before being cut, observers said. The usual height of the plant is about 18 inches or two feet, they said.

The variety of beans was Manchus. Defects in fountain pens are detected by a new device that amplifies the scratching sounds they make.

## GUARDED AGAINST DOUBLE TROUBLE

Double trouble can hold no terrors for this wearer of the "Man from Mars" headgear. His aviator's helmet protects him high

above the earth, while his mask safeguards him if he lands in an area under gas attack. Austrian engineers developed the combination.

## SOCIETY MEETS AT KIRKPATRICK

The lesson was reviewed by Mrs. Ora Hower, Mrs. Sindlinger and Mrs. Gardner.

Mr. and Mrs. Ira Beers entertained at a family dinner Thursday night as a farewell to Rev. and Mrs. Alva Beers and family of Crestline who will take up a pastorate near Cleveland.

## BIRTHDAY PROGRAM ENTERTAINS GRANGE

Feature of Meeting Held Last Night at Claridon School.

Members of United grange having birthday anniversaries in the third quarter gave the program at a meeting last night at the Claridon school. Mrs. Bertha Epley was in charge. The program was as follows: Piano selection, Miss Margaret Hower; comedy medicine show skit, Mrs. Bertha Krauer, Mrs. Grace Retterer, Mrs. Helen Mautz, Mrs. Lawrence Douce, Mrs. Epley and Mrs. Vera Mae Seckel; flute number, Mrs. Seckel, accompanied at the piano by Miss Hower; reading, Mrs. Douce. A contest in which Mrs. Hazel Augenstein, Mrs. Grace Haley, Clay Smith and Lawrence Kline took part was won by Mrs. Haley and Mr. Kline. Juvenile grange members displayed needlework which they showed at the Marion county fair. Refreshments were served by Mrs. Walter Seckel, Mrs. Douce, Mrs. Ferdinand Lawrence and Mrs. Dora Fields. Eugene Douce, overseer, was in charge of a business session which preceded the program. On Oct. 21 the grange will give a program at Canaan grange in Denmark. The next meeting will be held Oct. 11.

## ALIEN MONEY MAY BE TAXED

U. S. and Britain Seek Means of Minimizing Harmful Effects of Currency Shifting.

By The Associated Press  
WASHINGTON, Sept. 24—The world's leading financial powers, Great Britain and the United States, may shape some new instrument of taxation to minimize harmful effects of international money movements.

The possibility of mutual action by the two countries in taxing alien investments within their borders was indicated today by Secretary Morgenthau.

He told reporters he would discuss such taxes Saturday in a conference with Rowell Magill, treasury undersecretary, and Sir Frederick Phillips, undersecretary of the British exchequer.

Conferences between Morgenthau and Sir Frederick have been under way all week, but the treasury head's statement today was the first disclosure of any specific topic under consideration.

Morgenthau said the conference Saturday would take account of treasury, reserve board and securities commission findings in a year-long study of international capital movements.

The study began after President Roosevelt had expressed concern about a huge inflow of so-called "hot money" into the United States.

These "brightened" funds, held largely by astute international financiers, may move swiftly from one country to another to take advantage of the most attractive investment opportunities. They often create grave money and credit problems.

When this money flows into a country, for instance, it is invested in stocks, bonds, land and some other holdings. These investments may inflate prices and credit artificially. Then, should the funds be withdrawn suddenly, a sharp economic downslide might result.

Taxes of alien investments often have been discussed as a method of protecting domestic economy against capital movements.

Among other things, fiscal officials have suggested levies on foreigners' capital gains in this country and special imposts on foreign securities transactions here.

Powerful Effect Seen  
Authorities said today joint British-American tax action would have a powerful effect in braking hurried money transfers from one country to another.

They pointed out most of the capital flow over the world is channeled either through London or New York.

Foreign holdings in the United States now are estimated at more than \$8,000,000,000. With intensified hostilities abroad, some persons have expressed fear this huge reservoir of capital might be drawn upon to finance armament buying in this country.

Asked whether conflicts abroad had made the "hot-money" problem more serious, Morgenthau said international capital movements "have been fairly quiet" recently.

**Bumper Apple Crop Gives  
Market Plentiful Supply**

Local food dealers this week re-  
ported a bumper crop of ap-  
ples being harvested this fall.  
The numerous varieties are  
being offered on the market  
at low prices. Among the more widely  
known are Delicious, Grimes  
Golden Jonathan and McIntosh.  
All are from Ohio and  
Pennsylvania.

Cabbages are also coming in  
in large quantities. Another recent  
arrival on the fruit line are Florida  
seedling cabbages, a particularly  
early variety. Other fruits being  
shipped these days are Ohio Dam-  
son pears, cranberries, and  
strawberries.

Peach Supply Near End  
While mentioning fruit, it is well  
to note that fresh peaches are near-  
ing the end of their young  
and abundant season. Dealers give  
them another week yet and are of-  
fering them in large lots at attrac-  
tive prices for canning.

Cabbage and its relatives are  
coming into prominence among the  
vegetables at this time. New sup-  
plies of brussels sprouts and Cal-  
ifornia broccoli are now being re-  
ceived here to supplement offer-  
ings of cauliflower and kale.

Other vegetables rather plentiful  
this week are green peas, beans  
and spinach. Western tomatoes  
are gradually replacing the garden  
variety, dealers said. Iceberg let-  
tuce is again abundant. Mush-  
rooms, white and sweet potatoes

and various root vegetables, such  
as yellow turnips, are again com-  
ing in more strongly.

**Lamb Week Special**  
This week has been set aside  
is the country as National Lamb  
week and many dealers are offer-  
ing specials. Lamb may be served  
in a variety of ways, depending on  
the cuts chosen — chops, brown  
steaks, roasts and so forth. They  
can be varied with other season-  
able meats such as kidneys,  
chopped beef or steak, fish, bacon,  
ham or fresh pork.

ley, Galena, Marion and Prospect.  
In the afternoon Lee Main gave a  
reading, a vocal duet by Muriel and  
Junior Blagg and musical numbers  
on the guitar and harmonica were  
presented. At the business session  
officers were elected for the com-  
ing year: president Curtis Blagg;  
vice president, Earl Knauber; sec-  
retary and treasurer, Mrs. Leon  
Claypool.

two lawyers, ran amuck in a Chi-

them, critically wounded another,  
and stabbed two women office at-  
tendants before surrendering to  
police. The assailant, shown cen-  
ter with detectives, gave his name  
as George Chicharovich, 34, and  
told police that he had been  
swindled out of a \$60,000 prop-  
erty. One of his four victims was  
Frederick W. Elliott, 53, former  
municipal court judge, who died  
of his wounds.

fiscatory policies and bureaucratic excesses. Then the tax policy of the administration has proved very inequitable and destructive, especially the so-called undistributed surplus tax, which is a flop as a revenue getter and a machine gun so far as business expansion or stability is concerned. The uncertainties abroad add to the uneasiness. But the basic trouble in America is "unplanned" as well as "planned" economy, with the whole economic system threatened by a government that keeps an unbalanced budget. Certainly unless Communism or Fascism is introduced, democracy proceeds on the notion that there is free competition and that the government can collect taxes from business in sufficient sums to pay expenses. But the government nowadays believes in killing the goose that lays the golden egg, in

stifling industry, strangling the producers and distributors and forcing more and more workmen out of jobs even as prices rise and the poor people of America find themselves unable to buy food products or articles of necessity from their meager incomes. If prices continue to rise, the one-third of our population who are ill-nourished, ill-housed, and ill-clothed will have nothing but Mr. Roosevelt's words to eat, and they will find also that they will be joined by a larger part of the population than one-third. But the days of hardship and the climax of fiscal unsoundness are not yet. The hypochondria of printing press bonds and government funds pumped into the business world can still furnish considerable stimulus, enough, at any rate, to buoy the stock market now and keep the inflation going for another year or possibly two before the nation faces the days of reckoning.

Senor Nicolas Franco

One of the few photos taken of Senor Nicolas Franco, brother of the Spanish Insurgent general, was taken as he arrived at Munich, Germany, above, to attend the annual Nazi congress there. As guest of honor at the convention, he was escorted by Herr Kroeger, in uniform, secretary of the German embassy at Salamanca, Spain.

## CHILD PSYCHOLOGIST TO WORK IN COUNTY SCHOOLS

Board of Education Approves Program of Cooperation With Ohio State University.

The county board of education in its regular monthly meeting last night at the office of County School Supt. D. T. Mills approved plans to cooperate with Ohio State University in bringing a psycho-educational consultant to Marion county this year. The system has never been tried in any other rural school system in Ohio, Mr. Mills said. The exact duties of the psychologist have not been planned yet, but a meeting of all rural school boards with the county board and Mr. Mills is being arranged to discuss the new system. Mr. Mills said, "The expert will be a specialist in child psychology and will work with the so-called 'problem children' in the rural schools in an attempt to bring them to a normal adjustment. Other routine matters were discussed and monthly bills paid. Mr. Mills announced the annual high school inspection by the state

department of education go under way this week and will close Monday. A banquet to which all rural school superintendents and the state inspectors have been invited will be held Monday at 5:30 p. m. at Hotel Marion to discuss the results of the inspection. The state department of health has sent two representatives here to conduct a series of dental hygiene lectures on dental hygiene this week and next. Mr. Mills announced Miss Beth Critchfield of Columbus is in charge of the series. In connection with the demonstration, moving pictures regarding dental care are shown.

## DOROTHY THOMPSON VIEWS TOPICS OF DAY

(Continued from Page Six)

Illegal encroachments of Chancellor von Papen, it might have been handed to oppose Hitler some months later.

Democracies, being extremely vulnerable forms of government, must be formal, must insist upon the scrupulous observance of constitutional principles and must observe the disciplines of law. Without a high degree of popular responsibility to principle, procedure, and law, and a great jealousy of liberty, they live in constant threats from a coup d'etat.

And, of course, in democracies that coup d'etat will always seek to legitimize itself by the support of the masses. These—if the President had cared to point them out—are only a few of the object lessons that might be drawn from the government of Weimar. Nowhere did they perish because they failed to bring the millennium, or because they were unpopular.

And why the apology for the dictatorships anyhow? What material demands have they fulfilled? The German people, the Russian, do not eat as well as the people in the democracies, nor are they as safe in their persons or property—leaving the matter of civil liberties wholly out of consideration. They have unity, and a very tense sort of unity; they have no unemployment—because a large part of the population is bearing arms or spades on work for the state at subsistence. The countries with a high standard of living are those countries where energies are released and allowed to function and produce, not bound hand and foot by bureaucratic organization. ## NEW STYLE HOLDUP AT UPPER SANDUSKY

Special to The Star  
UPPER SANDUSKY, Sept. 24.—Richard Hull, attendant at a local gasoline station uptown, was the victim of a new style robbery Thursday morning. Hull had just filled a customer's tank with gasoline when the driver of the car after receiving the correct change asked what he should take to Detroit. With the five dollar bill that had been handed him still in his fingers, Hull pointed to a nearby street. Suddenly, as on the spur of the moment, the driver of the car reached over, grabbed the bill and raced away. Hull jumped into a car and gave chase, but several miles out of here on the Carey road his auto developed engine trouble and he was forced to abandon the chase.

## RISE IN BREAD PRICE FOUGHT

U. S. Economists Point to Fact Ingredients Cost Less but Wages Higher.

By The Associated Press  
WASHINGTON, Sept. 24.—Government economists protested against increased bread prices today, declaring the boosts had added \$50,000,000 a year to the public food bill.

D. E. Montgomery, consumer's council of the agriculture adjustment administration, contended the increases had been made "in spite of relatively low wholesale prices of bread ingredients."

Payrolls Are Higher  
He conceded hourly wages and total pay rolls in the baking industry were higher than a year ago, but added:

"Available labor cost figures indicate that wages account for only a part of the enlarged spread between ingredient costs and wholesale bread prices."

Economists under his command based their calculation of the added cost to the public of an estimated annual consumption of 10,000,000,000 loaves.

Montgomery said a survey of retail bread prices in 51 cities showed the pound loaf was half a cent higher on Aug. 17 than a year ago and was at the highest level in seven years.

Wholesale prices of ingredients that go into average white bread were lower in mid-August, he reported, than at any time in the last three years, except three months in the summer of 1936.

The exception was the period immediately after liquidation of processing taxes under the original A.A. The economists said these taxes, while in effect, had added about half a cent a loaf to the cost of bread ingredients. Montgomery said a survey showed the average loaf of bread sold for 8.9 cents on Aug. 17 this year, prices ranging from a peak of 10.8 cents in Winston-Salem, N. C., to as low as 6.9 cents in Denver, Colo.

Biggest increases during the last two years were reported at Kansas City, Mo.; Pittsburgh, Pa.; Dallas, Tex.; and Milwaukee. Some of these, officials said, were made after the conclusion of "price wars" which had kept quotations low.

Montgomery's statement said hourly wages in the baking industry had increased 12 per cent and

total pay rolls about 25 per cent since 1935. He said census data for 1935 indicated wages were about 20 per cent of the total value of products of the baking industry. On this basis, the statement said, increased labor cost would account for a 25 per cent rise in retail bread prices in the past two years. Prices actually are 5 per cent higher, the statement added, despite removal of the processing tax cost of half a cent a loaf.

## 40-HOUR WEEK AT MT. GILEAD

Hydraulic Press Workers Given Day Off and Vacations Scheduled.

Special to The Star  
MT. GILEAD, Sept. 24—The management of the Hydraulic Press Mfg. Co., Mt. Gilead's largest industry, announced this week that a five day, 40-hour week will be adopted by the company beginning Monday, Oct. 4. The old schedule was five and one-half days of 40 and one-half hours.

Another change is the extension of vacations to all employees of the shops. These in the service of the company for two years or more will receive one-half pay on vacation and those in the service of the company for five years or more will receive full pay on vacation.

The company is establishing a uniform vacation week for the entire organization, extended from the second Saturday preceding Labor day up to and including Labor day.

## SCHOOL PARK OPENING SET

New Recreational Program Scheduled To Get Under Way Saturday.

The new school recreational program sponsored by the WPA, N.Y.A. and Y. M. C. A. will swing into action Saturday at Lincoln park with competitive events for four schools set to begin at 8 a. m.

Charles Caprino, recreational director, said today.

At the same time, he announced a new project has been set up for seventh grade pupils at Central Junior High school and that the Oakland elementary school has been included in the grade school program with activities to start Saturday.

Saturday's activities at Lincoln park will be for pupils of Mark, Silver, North Main and Oak street schools. Tournaments in tap foot ball, football, croquet and various other team games will provide competition for the boys. Girls will compete in ball games, volleyball, croquet and in a scavenger hunt.

Trained play leaders will be in charge of all events. The program will continue in the morning until 11:30 and will resume in the afternoon from 1 to 5.

Central Junior High school, seventh grade pupils will be given opportunity to participate daily in a recreation program on the school grounds immediately following the afternoon dismissal. Boys have been supplied with work benches and equipment for games while other games for both boys and girls will be handled at the Y. M. C. A. Delbert Smith, a teacher at Central, will help in this project and W. E. Orcutt, principal, will act in an advisory capacity.

Miss Alice Donahue, principal of Oakland school, will advise leaders that direct the play at the Oakland school. Harold Bill, who assist with boys' games and Elizabeth Fox and Juanita White, will direct girls. A special event has been planned for this school to start Saturday at 8 a. m. at the Steam Shovel grounds on Uncepher avenue.

## Bowling Results

Junior Chamber Tops Commercial League With 2,299 Points: Richmans Pace City Loop With 2,526.

Commercial league bowling entries were placed in matches last night by the Junior Chamber of Commerce quintet, which collected a high total score of 2,299, with a count of 853 pins in one game.

William Stair topped the pins for a 306 game in a single game, while F. Bryant, with games of 171, 203 and 189 turned in the best individual series of 562.

All the top scores in the City league's matches were by the Richman Club, paced by the lead-off pinman, Art Wintersteller, who shot a high game of 247 and wound up with a 638 total. The Club's best collective game was 894 and their series score was 2,526. Among the double century bowlers were:

## First Edition of School Paper Out

500 Subscribers Get Year's Initial Issue of Harding Herald.

First issue of the 1937 Harding Herald, Harding High school weekly paper, was off the press today.

Approximately 500 subscribers received copies this afternoon. A subscription campaign was carried on this week by pupils of the journalism classes taught by Miss Lucile Foreman.

The first issue contained news stories on the vacations of members of the faculty and some of the student body, sports items and feature material.

Pauline Parish and Margaret Hufford, editors, worked together to prepare the first issue, assisted by all journalism pupils.

**MRS. J. A. LOTT IS HOSTESS TO CIRCLE**

Twenty-six members attended the first meeting of the season of Circle No. 10, Ladies Aid society of Epworth M. E. church, yesterday at the home of Mrs. J. A. Lott on East Church street.

Following a 1 o'clock covered dish luncheon the new chairman, Mrs. Ray Williams, presided for a business meeting. Mrs. H. C. King conducted devotions on the theme, "Working Together." The year's activities, including a rummage sale early in October, were discussed, and a contribution was made to the junior league booth festival which will be held in the near future.

Mrs. Lott was assisted in entertaining by Mrs. L. Augustenstam, Mrs. B. W. Brady, Mrs. Ralph Slagle, Mrs. H. C. King and Mrs. Roy Abel.

**STEAK ROAST HELD BY CHURCH CLASS**

The Brotherhood class of the Central Christian church opened its season with a steak roast last night at Garfield park. Lawrence Sager, president, was in charge of a short business session. A talk on "The Better Things of Life" was given by Rev. M. L. Buckley, retired pastor. Earl E. Thomas was a guest.

**SEEING STARS**

Merry-go-round Operator Finds Things Really Going Around.

Special to The Star  
UPPER SANDUSKY, Sept. 24—Continued heavy drinking often brings on a sort of madness called "snakes," but a new kind of "snakes" was revealed here the other night, when a man racing back and fourth on the road way-laid two lanterns stopped a motorist at the county fairgrounds and asked for help. The man of the lanterns explained that an airplane was circling over head and was attempting to find a place to land.

A local policeman was summoned and found the stranger running back and fourth on the fair grounds. One of the lanterns had been badly battered as the man had dashed into a tree once or twice in his wild efforts. He informed the officer that two airplanes were now over head. Doubting the officer looked skyward and saw two stars shining brightly. He turned to the stranger and ordered him to go to his tent and sleep it off. The man was one of a group who had brought the merry-go-round and other rides to the county fair last week.

**WEDDED 4 YEARS**

GALION, Sept. 24—Mr. and Mrs. A. E. Laughman, two of Galion's best known and highly respected residents, are quietly celebrating their 42nd wedding anniversary.

**COMMITTEE HEADS NAMED BY CIRCLE**

Committee chairman were named and plans outlined for the year's work at the first meeting of the Ladies Aid society of Epworth M. E. church yesterday afternoon. The members were guests of Mrs. Edward Robson of 851 East Center street.

Roll call responses were "Facts on the Philosophy of Happy Living" and devotionals were conducted by Mrs. Frank Irwin.

Mrs. Robson, circle chairman, named the following chairman: Program, Miss Sadie Smart; devotionals, Mrs. Frank Irwin; ways and means, Mrs. D. O. Bellows; work, Mrs. Jane Rexroth; flower, Mrs. H. L. Russell; reporter, Mrs. John A. Huber.

During a social hour, lunch was served by Mrs. Robson and the associate hostesses, Mr. Walter Gantt, Mrs. Margaret Hough and Miss Mary Curt. Joan Hough was a guest. A meeting Oct. 28 will be with Mrs. Frank Irwin of 181 Carnhart street.

**KENTON BOYS ALSO TAUGHT TO DANCE**

Special to The Star  
KENTON, Sept. 24—Claude Henkle, physical education director in the Kenton public schools, and some of his more versatile boys may be seen these days tripping the light fantastic with those lads who have expressed a desire to dance and know not how.

Henkle decided to add the dancing class to his regular duties so that the high school boys might find the school parties and dances more interesting.

**PARTY NEAR GALION MARKS BIRTHDAY**

Special to The Star  
GALION, Sept. 24—Miss Arva Longacre, of Galion, R. D. No. 2, was surprised Wednesday evening when a group of friends held a party at her home in honor of her eighteenth birthday. Refreshments were served by Mrs. Carl Longacre and Mrs. E. E. Longacre.

**EVANGELIST LISTS STEPS TO SALVATION**

Rev. H. C. Johnson, evangelist conducting special services at the Nazarene church, spoke last night on "Ransomless," taking his text from the book of Hebrew and declaring that five steps are necessary to the salvation of man. He listed them as enlightenment or conviction, conversion, sanctification, love for the word of God and anticipation of the second coming of Christ and a better life. Mrs. Johnson assisted in the service. The service will continue tonight and Saturday night.

**P. T. A. CONVENTION DELEGATE NAMED**

Mrs. L. C. Lindenberg, president of the Olney Avenue Parent-Teacher association, was elected a delegate to the state convention in Cleveland the first week of October, when the group opened its season yesterday afternoon at the school. Mrs. Curtis Laubner conducted devotions. Miss Lucile Schell's room was presented a picture for having the largest attendance of mothers. A business session was followed by a social hour in which tea was served.

**CHANGES FLEA, FINED**

John Carroll, 41, of 619 South Prospect street changed a former plea to guilty in municipal court yesterday on a charge of disorderly conduct. He was given a suspended fine of \$10 and costs by Municipal Judge Martin. Carroll was arrested by police Saturday night after being accused of becoming abusive to officers who cited him for double parking on State street near the X. M. A. He had pleaded not guilty at a municipal court arraignment but changed the plea yesterday when he appeared for a hearing.

**PROGRAM PLANNED FOR SILVER TEA**

Plans for Group No. 2 of the Missionary circle of the Central Christian church to present a program at a silver tea to be given at the church on Oct. 14 were discussed at a meeting of the circle yesterday afternoon at the home of Mrs. E. E. Harrod on Spencer street.

Mrs. J. B. Swain was in charge of a business session. Mrs. Olive Schneider gave a chapter on the study book, "Rebuilding Rural America." The next meeting will be held with Mrs. Ella Boyer on Delaware avenue on Nov. 4.

**CLASS MEETS AT COMMUNITY HOUSE**

The Loyal Workers plans of the United Brethren church met at the community house Thursday afternoon. Those taking part in the program included Mrs. Clyde Underwood, Miss Lulu Cromer, Miss Katie Cromer, Mrs. Grover Howell, Mrs. C. L. Weaver, Mrs. Walter Holderness and Mrs. Maud Hazellett.

Hostesses for the meeting were Mrs. J. W. Clark, Mrs. E. L. Weaver, Mrs. L. H. Butz, Mrs. Grover Howell, Mrs. Maybelle Seaburn and Mrs. Mary Putnam.

Other officers elected are Mrs. John Monk, first vice president; Mrs. E. O. Call, second vice president; Mrs. P. D. Robinson, third vice president; Mrs. C. G. Roberts, secretary; Mrs. Ida Ott, assistant secretary; Mrs. Harvey Wendler, treasurer; Mrs. R. G. Smallwood, chaplain.

A program in charge of Circle No. 2 consisted of a song by the group, readings by Mrs. Monk, Mrs. Della Eversly and Mrs. Roberts and a vocal duet by Mrs. A. W. Leonard and Mrs. Wendler. Circle No. 1 served refreshments. The next meeting will be held Oct. 28.

**ATTORNEY DESCRIBES KILLING OF DENHARDT**

(Continued from Page One)

and Jack Garr.

"I said General there are the Garr boys."

"The general took a rapid step toward the hotel."

"Roy Garr ran toward the hotel, while Doctor Garr started toward us."

"Just then two shots were fired while the Garrs were about 25 feet away."

"There was a pause after the second shot."

"Myers said he did not know which of the Garrs fired the first shot but that Jack did not have a gun."

"Roy Garr went up to the general and fired a shot as he stood over the general," he continued.

Myers testified three bullets struck Denhardt, one in the back, another in the head, and the third in the left shoulder.

Myers denied the general made any hostile move toward the Garrs and said he did not speak after seeing the brothers.

The defense did not question Myers.

J. Ballard Clark, attorney for Dr. E. S. Roy and Jack Garr, said they would relate "a story, reasonable, plausible and true, which will refute the commonwealth's idea of the case."

He again indicated the Garrs would plead self-defense. Their trial will await action of the grand jury, which convenes Oct. 4.

**250 ATTEND CARD PARTY AT GALION**

Special to The Star  
GALION, Sept. 24—One of the largest benefit card parties to be held here and also one of the most novel, was that sponsored Thursday night in the Junior High school auditorium by the local Business and Professional Woman's club. Some 250 persons were present for the occasion, and were played at 52 of more tables.

Prior to the games and the awarding of the door prizes, a style show was presented by local merchants. This was under the direction of Miliam Ransdell, local physical education instructor, and was announced by Mrs. Harry Barlick. During the show, piano music was played by Louise Dorentz, school music instructor.

Officers elected by the Junior High Booster board are: president, Howard Dewalt, vice president, Evelyn Holderness, secretary, Jo-

# Blind Woman Amazes Cooking School Crowd With Ability To Prepare Meal

BY HALLIE HOUCK

The reporter, with two green eyes, which optometrists have for vision—last night a girl about 23 years old who is blind since birth prepared a broiled steak, three minutes and golden coffee, and served the "handicapped" girl.

Not being competent, in the opinion of one spectator in the crowd of approximately 900 men and women at the last session of all things cooking school sponsored by the Marion Harter Power Co., Miss Gretta Griffiths of Cleveland, an economist and demonstrator, easily and quickly carried out her demonstration.

Miss Griffiths is a "south" girl, to boot.

With a minimum of moving about her stage "kitchen," Miss Griffiths placed a steak in the oven at 14 minutes, turned it at the half-way time, put four eggs in a half-cup of water to boil for three minutes and at the end of the time broke one and showed the audience a perfect three-minute egg and made coffee which made the audience in the audience anxious to get home to their own coffee.

MISS GRETTA GRIFFITHS

Sensitive fingers, beautifully manicured, found steaks easily, set the temperature control on the chime time clock, and measured accurately the water for the eggs and coffee. Miss Griffiths explained that by feeling the indentations on the temperature control she was able to set it to the required degree of heat.

While Miss Griffiths' primary purpose in appearing at the school was to demonstrate the safety of electric cooking, probably her greatest success was in demonstrating to her audience that modern science overcomes all handicaps—even the abyss of total darkness.

"Every girl to be completely normal, and that is my ambition, must be a good home maker and to be a good homemaker she must be able to cook," was a statement made by Miss Griffiths, which rather put the green-eyed gal in the position of being neither normal nor ambitious, a terrible plight in which the only compensating thought was that maybe Miss Griffiths couldn't do a reporter's job.

## IN LOVE MURDER?

But she was so darned competent on that stage "kitchen" that she probably could beat the reporter at her own job.

Miss Griffiths is a native of El Dorado, Kan. She attended McPherson college at McPherson, Kan., where she studied social science. Upon graduation she entered the University of Chicago and in August of 1930 she obtained her master's degree in educational psychology.

Her triumph over a terrific handicap has made her the subject of nationwide publicity in magazines and newspapers.

Last night's demonstration by Miss Griffiths and Miss Viola Decker, nationally known economist from Chicago, ended a three-session cooking school which attracted approximately 2,000 "students."

# St. Mary To Begin Grid Season At Tiffin Tomorrow

## FOOTBALL FORECASTS

By FRITZ HOWELL  
COLUMBUS, O., Sept. 24—The melancholy days (for the football experts) are come again... when setups are prone to turn in upsets... and favorites are prone to end-up that way...  
Picking the winners is a precarious proposition, with nothing to base selections on except last year's record... Optimistic or pessimistic reports from press agents... a hazy glance into a crystal... and a bit of hope.  
But everybody's doing it... so we'll get into the game, too... and here's how our hunches for this week-end's contests will finish.  
Friday—Dayton over Wittenberg; Muskingum over Otterbein; Heidelberg over Ashland; Denison over Delaware; and Marietta over Moraine-Valley.  
Saturday—Texas Christian-Ohio State; a toss-up, or the Bucks by a nose; Pittsburgh over Ohio Wesleyan by about 25 points; Illinois over Ohio University by two touchdowns; Baldwin-Wallace over Kent State; Western Reserve over Cincinnati; Lehigh over Case by a touchdown; Bowling Green over Hiram; Detroit Tech over Capital; Miami U. over Alma in a close one; Toledo over Elkhart (watch those Rockets this year); Mt. Union over Adrian; Akron's small (nomenclature) squad over West Virginia State Teachers; Transylvania over Xavier in a game that looks as a toss-up; and Georgetown over Alfred Holbrook.

Picking the winners is not the only grief that comes these fall days to the boys who write the football news... and just to pick a case at random... let's hop over to Bellare High school, where Coach Albert H. (Big Sleepy) Glenn hopes to have another of his home-crusher seasons.  
Imagine sitting in the press box handling Bellare games with names like these hobnobbing in and out of the lineup: Krusensky, Kalesinski, Ohlajonski, Sadowski, Malatinsky, Acciocco, Giacometti. But the Bellare old-timers... having lived through such names as Olejczak... Techapat and Rataleczak... hope to get through the season.

## 23 PLAYERS REPORT FOR PRACTICE DUTY; TIFFIN EXPERIENCED

### First Irish Eleven in 13 Years Given Good Chance Against Veterans.

St. Mary's griders today are on the threshold of the formal opening of their 1937 grid season, to be officially inaugurated tomorrow at Tiffin when the Irish eleven invades the home field of Tiffin Calvert High school.  
The St. Mary team got off to a good start in a pre-season practice game with LaRue last week, by holding the county high school aggregation to a 6-0 deadlock on their own field since that time Mentor Robert Kelly has been sending the St. Mary team through lengthy workout sessions to burn up on both offensive and defensive plays.  
The candidates for the varsity, 23 of them, reported for practice yesterday at the St. Mary field and Coach Kelly planned to run them through another light workout into this afternoon. With the exception of one position, the line class will be intact for the invasion of the Calvert field, and inclusion of the Calvert field, and inclusion of the team have high hopes of St. Mary making a good showing against the more experienced opposition they will face at Tiffin.  
The game tomorrow is scheduled to start at 2:30 o'clock and members of the team will leave Marion in private cars at noon. They will meet at the high school and after receiving final instructions, will embark on the 12-mile trek to Tiffin. They expect to arrive or the field there in time for a brief luncheon before the contest begins.  
A large group of followers are expected to make the journey with the team. It was estimated that nearly 200 St. Mary fans made the trip to LaRue to watch their team in the practice game and it is quite likely that as many or more will make the longer journey tomorrow to see St. Mary officially open its season.  
The starting line-up of the club is expected to be almost identical with the candidates who were selected to face LaRue. One player, Nicholas Calagno, right halfback, is suffering from an injured right ankle, and is likely to be kept on the sidelines during the entire game. Three backups, Jack McAndrew, Ray Robbins and Ted Schuler, are trying for the vacant post.  
Other players who are likely to receive Coach Kelly's starting call are: Feldner and Kerrigan, ends; J. Drake and Werley, tackles; Bianchi and Nicolosi, guards; H. Drake, center; Schuler, left half; LaBarbara, fullback and Myers, quarterback.

# ANKS CLINCH TITLE DETROIT LOSES; ANTS BOOST LEAD

World Series on Oct. 6  
Virtually Assured for  
New Yorkers.

BY SID FEDES  
Associated Press Writer  
New York's diamond embroi-  
dery got down today to the  
business of winding up  
round straight pennant stick-  
prop.

Yankees, who use bats for  
and home for thimbles,  
American league flag all  
up. The Giants, somewhat  
on the fancy work, but ap-  
pearing for the same re-  
sults rapidly completing

flag.  
The embroidery society's  
good friends was all set to  
put it up in another exclu-  
sive of the diamond for the  
New York, come World Series  
Oct. 6.  
Giants were 3½ games ahead  
result of their win over the  
Yankees yesterday, and were riding  
to the east.  
Giants' victory by a 5 to 7  
run yesterday in the rubber  
of the crucial three-game  
with the Cubs produced the  
last, battle of the lot. Although  
fated less than two innings,  
a blowout was given official-  
ly the victory, his 21st of  
the year.

Yankees, meantime, although  
are a 9-5 beating themselves  
hands of the St. Louis  
birds, and the pleasure of watch-  
ing an old ex-Yankee, Ben Chap-  
man, clinch the American league  
them. Chapman hit a home  
run in the ninth inning,  
gave the Boston Red Sox  
a 3-run lead over the Detroit  
Tigers, and clinched the second  
of Detroit from the pennant.

# 3 Title Bouts In One Night Prove One Too Many For Fight Carnival

BY GAYLE TALBOT  
NEW YORK, Sept. 24.—Three  
championship prizefights in one  
night, while a laudable enterprise  
on the part of promoter, seem-  
ing at this writing to be at least one  
championship prizefight too many.  
Especially if each of them goes  
the limit of 15 rounds without  
knockdown.

Thirty-two thousand six hundred  
patrons sat through last night's  
pugilistic extravaganza at the Polo  
Grounds, and when they finally  
straggled out of the place some-  
time this morning they were wonder-  
ing if the new tactic, Mike  
Jacobs, hadn't perhaps been silly  
of choking them with cream.  
Barney Ross, a welter-weight  
champion with a heart the size of  
a pumpkin, saved an otherwise  
unimpressive spectacle with a close  
and gory victory over Cefelino  
Garcia, challenger from the Philip-  
pines. It would have been a great  
fight had it stood alone.  
Harry Jeffry, a clean-cut lad  
from Baltimore added a final fluff  
when it was badly needed by win-  
ning the bantam-weight champion-  
ship of the world from the Sixto  
Escobar of Puerto Rico on points.  
The bout between Lou Ambers,  
rugged lightweight champion, and  
Pedro Montanez, a rashly over-  
plotted young man who owns a bar  
in Harlem, was the one that curi-  
ously gave him an awful  
going-over in close and it was a  
dreary thing to watch.  
Marcel Thill, the bald French-  
man, made a bit in the night's  
initial turn before he suffered a  
serious cut on his right eye and  
was declared the loser to Paul  
Apolloni of San Francisco early in  
the tenth round. The boxer Marcel  
had a clear lead on points at the  
time Apolloni stabbed him and the

# 26 Ohio Football Teams Ready For Opening Games

By The Associated Press  
COLUMBUS, O., Sept. 24.—Texas  
Christian university's "Horned  
Frog"—at of semi-arrived in Ohio's  
capital today determined to give  
the Ohio State proteges of their  
former coach, Francis A. Schmidt,  
a lesson in how wide-open football  
should be played.

The Bucks and the Frogs meet  
Saturday afternoon in Ohio stadium  
and a real "razzle-dazzle" contest is  
on the books as both teams feature  
the "sight-of-hand" type of of-  
fense.  
Stacking up as an "even-Stephen"  
battle the game should be a thriller  
for the crowd of close to 75,000.  
One of the largest opening day  
throng in Buckeye history.  
The invaders have a slight edge  
in the forward wall with a 204-  
pound average while the Bucks tip  
the beam at about 198. In the ball-  
toting department Ohio has a 10-  
pound advantage the visitors av-  
eraging 172 to 182 for the Buckeyes.  
Ohio Has More Power  
The Bucks probably possess more  
power than the 1936 team which  
won five and lost three, but they  
have failed to display the ball-  
handling ability and elusiveness of  
last year's troops.  
For the first time in years Ohio  
goes into a season without players  
two or three deep in each position,  
and it is on that reserve strength  
question that the season's success  
hinges.  
To make up for the lost stars  
and equalize his strength a bit  
Coach Schmidt moved his 1936 full-  
back, Co-Captain Jim McDonald, to  
quarterback, and shifted Charley  
Ream, one of last year's tackles,  
to end.  
Each team will start 10 letter

men and one non-letter man, tackle  
Karl Kaplanoff being the newcomer  
in the Buckeye ranks, and  
Charles Mabry, a six-foot six-inch  
205-pounder, the "recruit" in the  
Horned Frog lineup.

The Frogs planned an hour's  
"loosening up" exercises on the  
stadium turf at 2 p. m. after which  
the Bucks were to go through their  
final passes, a signal drill. Tonight  
the Frogs were to be housed high  
up in a hotel, while the Bucks were  
to go to a country club. Texas  
Christian's 50-place "swing" band  
came along, but will be housed in  
the Pullmans. The game starts at 2  
p. m.  
But the start of a whole season is  
even worse. And nine Ohio college  
outfits open their campaigns to-  
night. Seventeen more do it tomor-  
row.

Ohio U. Goes West  
Don Peden may have a reason,  
but the Ohio University mentor  
couldn't see much hope for a victory  
at Illinois. Ohio U. spruced the  
Illini a couple of years ago.  
Oberlin's Coach Butler was an-  
other likely prospect for the frown-  
ing. His husky sophomore  
tackle Bill Swartz, tripped over a  
scholastic hurdle as injuries kept  
three yeoman backs on the practice  
sidelines.

With one exception—Marietta vs.  
Morris Harvey at Charleston, W.  
Va.—tonight's five Ohio tilts are  
strictly Buckeye affairs.  
Dayton invaded Wittenberg, Ot-  
terbein at Mt. Vernon, Ashland  
meets Heidelberg at Tiffin, and  
Defiance goes against Denison at  
Granville.

Tomorrow's features are Texas  
Christian at Ohio State, Western  
Reserve at Cincinnati, Case at Le-  
high, Ohio U.'s invasion of Illinois,  
and Ohio Wesleyan at Pittsburgh.  
Wayne's squad was ordered to  
walk part way to Pittsburgh.  
George Gauthier said the bus would  
stop, the players would get out and  
walk a mile, then they'd ride again.  
The purpose, to loosen their  
muscles.

# HARDING JR. VARSITY DEFEATS BUCYRUS 11 13 TO 0 IN OPENER

President Reserves Score in  
Second, Fourth Periods;  
One 75-Yard Run.

In their opening conflict of the  
season, Harding high school's junior  
varsity football team journeyed  
to Bucyrus yesterday to score a 13  
to 0 victory over the Crawford  
county school's second stringers.  
The junior varsity scored in  
the second period, when a 20-yard  
pass from Joe Benedict to Koecher  
set the oval on the Bucyrus one-  
yard line.

Quarterback Walters circled left  
and for the touchdown and Ben-  
dict went around the opposite end  
of the line for the extra point. In  
the final quarter, Bucyrus had  
succeeded in leading to the Hard-  
ing 23-yard line. The Marion cen-  
ter, Robinson, intercepted a pass  
and galloped 75 yards to score the  
second touchdown of the game.  
Robinson's run was a neat per-  
formance of heady football, with  
Left End Howard earning a big  
share of the credit when he came  
in from behind to take out the  
Bucyrus tackler, who might  
have halted the ball carrier. The  
teams battled on almost even terms  
during the first and third periods  
with the biggest Bucyrus threat  
coming in the final period when  
they had marched to Harding's 20  
before the intercepted pass broke  
up their attack.

The attempted place kick by Ro-  
binson went wide of the goal post  
on the attempt for the second  
point after touchdown. Nearly 30  
athletes were taken to Bucyrus for  
the reserve game and all of them  
saw action during at least a part  
of the contest. Assistant high  
school coaches, Bill Williams and  
George Niemi, directed the efforts  
of the Marion team.

# SNATCHES OF SPORT

BY EDWIN BRITZ  
NEW YORK, Sept. 24.—Joe Louis  
sat in the press box at the Polo  
Grounds last night and thought  
young Harry Jeffry was a whiz.  
Of course, Mike Jacobs has all the  
winners tied up. If he doesn't  
land a Fred Apolloni-Fredie Steele  
tilt for the Garden this winter,  
it will be Steele's fault. At that,  
Apolloni isn't proud of his victory.  
Old man Marcel Thill was  
planned a perfect fight on the  
back of Marv Griffin, Broad-  
way columnist of the New York  
Enquirer. Night's biggest dis-  
appointment was the terrible  
showing of Pedro Montanez.  
Barney Ross was worried more  
than once in his bout with  
Cefelino Garcia.

# IT'S MEANY VS. MEANY ON SHOVEL MAT MONDAY

Let the meanies work out  
with their rough stuff on each  
other. It seems to be the watch-  
word of the wrestling program  
lined up for next Monday night  
at the Marion Steam Shovel gym-  
nasium. Bulgaria's Steve Nantz  
and the earth shaker, Gil La-  
Crosse of Boston are paired for  
one of the main go bouts and in  
the other, Ken Holle of Alto  
quique N. M. is matched with  
Montreal Can.

Filed in the wood shed last night  
introduction to the tactics of  
Nantz, Lacrosse or Holle, all  
considered among the roughest  
and toughest wrestlers in the  
Marion ring. Any one of  
all of the trio may be expected  
to "steep to conquer" or rather  
steep to meet anything to gain  
an advantage over an opponent.  
As for the newcomer, Peacock,  
little is known, but according to  
advance reports, he can mix any-  
thing with any one when he's in  
side the ring.

The Canadian came out of the  
north woods some five or six  
years ago and broke into the pro-  
fessional wrestling game. Though  
as a lumberjack is supposed to  
be the Montreal wrestler appears  
on Marion's wrestling horizon as  
another Mergent Rob Kevanston,  
the ex-matinee who scored one fall  
victories over two opponents the  
same night.  
Gil LaCrosse was here last  
week and won over the scrappy  
German Count Von Bismarck in  
consecutive falls, largely through  
his rough and tough tactics. Nantz,  
whom fans heartily dislike, is  
another of the same type of  
scrappy as LaCrosse. Neither has  
any amount of wrestling prestige.

# COLUMBUS DEFEATED 3-0 BY MILWAUKEE

A. A. Playoff Now Moves to  
Wisconsin for Finishing  
Games.

By The Associated Press  
COLUMBUS, O., Sept. 24.—The  
American association final playoff  
series scene moved to Milwaukee  
today with the count Columbus 2,  
Milwaukee 1.

After dropping the first two  
games here, the Brewers rallied  
last night for a 3 to 0 decision  
over the Red Birds with Ralph  
Wingardner narrowly missing a su-  
perb achievement. The two hits the  
young right hander allowed came  
in the ninth inning. Max Macon  
and Lynn King nailing him for  
singles.  
Bill Miller fanned 10 Brewers  
and gave away many hits pitching  
himself out of trouble frequently.  
A crowd of 2,943 persons saw the  
contest. The playoff victor of four  
of seven games will compete in  
the "little world series" against  
the International league winner.

## Your Health

BY DR. R. S. COPELAND

### Cystitis.

CYSTITIS, OR inflammation of the bladder, is a common and annoying discomfort. Many suffer from this affliction. As a rule, it can be traced to prolonged exposure to cold or dampness, or it may result from continued congestion, pressure upon or infection of the bladder.

Occasionally this disorder is encountered among persons who suffer from constipation, colitis and other inflammatory conditions of the intestine which are adjacent to the bladder. In other instances, inflammation of the bladder may follow the flaring up of some remote infection, such as infected teeth, tonsils, nasal sinuses, adenoids or appendix.

It may exist in the absence of any definite infection. Under such cases it usually follows excessive fatigue, excitement, worry, fear or some other emotional disturbance.

One who has cystitis has a constant desire to urinate. This urge is especially marked at night and may be so severe as actually to interfere with sleep and rest. Excruciating pain may be experienced in emptying the bladder. The urine is cloudy and may contain a trace of blood.

Do not be misled by the popular belief that an inflammation of the bladder is a sure sign of kidney disease. Too often the victim of cystitis avoids consulting with a doctor for fear he will be told he has Bright's disease. I venture to say that, in the majority of instances, particularly among women, cystitis is mild in its nature and rarely, if ever, is associated with any kidney disorder.

Bear in mind that any sign of abnormality of the bladder is a danger signal and must not be ignored. It may be no more than a symptom of some mild inflammation or congestion.

On the other hand, it may disappear for a few weeks and flare up again. For this reason, it is best to consult with a doctor at the first appearance of trouble. The doctor is the one to decide whether it is best for you to have a special examination.

Bear in mind that what may appear to be a trivial ailment may in reality be the forerunner of some more serious disorder.

# Man, Your Story Is News, Too! LET THEM KNOW IT!

Lots of people tell us, "Gosh, it must be a hard job to write a newspaper!" "Well, they're wrong. They're simply all wet. Our big job, getting out a paper, is to gather, edit, set up, print and distribute the news before it's cold. It isn't hard to write the news—because real news writes itself! All our reporters have to do is to answer the vital question "Who? What? When? Why?" Then they let the facts tell their own story.

Now—the text books may not say so, but all that goes for advertising, too! Clothe your advertising message with the fast-moving informative authenticity of a live news-story—and it's our bet that your goods will move quicker! Why? Because readers are hungry for news and every advertiser's story, well told, is news!

Tell 'em WHO: Make sure the reader sees YOUR name!

Tell 'em WHAT: Let every reader, every buyer know what your stuff looks like, what color it is, what it's made of—in a word, how good it is!

Tell 'em WHERE: How can a stranger find your store if she doesn't know the address? How can a reader find your merchandise if she doesn't know the department?

Tell 'em WHEN: If your "special" starts tomorrow tell 'em so and tell 'em how long it will last.

And finally, tell 'em WHY: Tell 'em and sell 'em all the reasons why every man and woman ought to own, use and enjoy your merchandise!

As we've mentioned, writing the news isn't hard—when you know how. And every member of our advertising staff does know how! Every one of them is trained to do a good NEWS-writing job, trained to help you write your message so that it will be read and understood...and acted upon as NEWS!

Get news into your advertising! Let The Star help you. Let us help you sell more goods at less cost with copy that gets read

## Inspiring Service Marks Close of Church Mission

Prayers and Pledges Launch Evangelical "Farther With Christ" Movement in Ohio.

Motivated by one of the most deeply moving commitment services ever conducted in the Ohio Evangelical conference, scores of ministers of the denomination and additional scores of their wives and laymen went forth from Calvary church of Marion yesterday afternoon to carry the church's "Farther With Christ" mission to every corner of Ohio.

Yesterday afternoon closed the mission which had drawn 400 or more visitors to Marion, and marked the departure of Bishop A. E. Epp of Naperville, Ill. and Bishop E. W. Pratorius of St. Paul, Minn. for Detroit to join the other two bishops of the Evan-

gelical church, Dr. J. H. Stamm of Harrisburg, Pa., and Dr. C. H. Stauffer of Kansas City, Mo. in launching the mission in the Michigan conference.

Rev. B. A. Hair of Columbus, superintendent of the southern district, which includes the Marion churches, said yesterday there would be a meeting of the conference committee next week in Akron to set the date for 12 regional follow-up meetings which will precede the campaign in November. These will be held for four meetings in each of the three districts of the Ohio conference.

Bishop Epp of the central area, which includes the Marion churches, was in charge of the closing service of commitment. He first called on the ministers and their wives to fill the chancel, then the laymen, and as the more than 400 persons filled the chancel, the aisles and the front pews, the conference chorus of ministers sang "The Holy Ghost" accompanied softly at the organ by Mrs. J. W. Baker.

### Prayers Voiced

Extemporaneous prayers were offered for the success of the mission and for God's guidance in the lives of the ministers and the women of the conference. A deeply reverent note was struck as the church filled with murmurs of "Amen" to the fervent prayers for God's spirit and blessing and the success of the spiritual crusade.

"May we go out of the city of

Marion as firebrands to burn out the message as we go forth into our pulpits as reflections of the holy fire within our souls," was the plea of the ministerial prayer.

"Let us take power now in the name of our glorious, victorious Christ to go through, even to a cross," Bishop Epp implored.

The commitment service, during which the men and women knelt in the aisles, the chancel and pews, was accompanied by the tears of deep feeling of a host of those who prayed silently and with deep conviction.

Bishop Pratorius, with raised hands, pronounced the benediction on the close of the mission. His blessing followed the singing of "The Old Rugged Cross."

Afternoon Session  
Yesterday afternoon's session was presided over by Rev. C. L. Allen of Fremont, superintendent of the western district and former Calvary pastor. The devotional period was in charge of Rev. W. H. Schuster of Toledo.

Focus of the church were faced in the following brief addresses: Numerical Growth; Rev. I. H. Dallas of Cleveland; Membership Participation; Rev. M. A. Hayes of Amherst; Social and Moral Purposes; Rev. LeRoy DeWinger of Cleveland; forward; Marion pastor, and "Spiritual Objectives," Rev. Clyde R. Wendell of Columbus former member of the Oakland church of Marion.

Bishop Epp addressed the gathering on "The Farther With Christ Mission Emphasis," dwelling on the mission's ultimate objective of furthering the spiritual life of the church, arousing deeper interest in the activities of the church, and the winning of others to Christ and the church.

### Closing Address

The closing address of the mission was on "Spiritual Empowerment," delivered by Bishop Pratorius. Emphasis was given the bishops' message by his scriptural reading, following which he held an open Bible during the duration of his half-hour talk.

"He is the only perfect teacher, the only living teacher," he declared. "I know that the church of today is rich in wealth and equipment," he acknowledged. "We have more money than churches have had in years, we have more man power, woman power than churches ever have had, more kinds of work and outstanding programs," he said.

Speaking of the success of the mission in which the four bishops of the church will visit 66 Evangelical centers throughout the United States, he said "Human power isn't enough, it takes power from on high to do this."

"Power is what we need," he declared. "Power within us to make us go and make us useful, and that power comes when the Holy Spirit is come upon us." The Holy Spirit does something for everyone.

God, he said would like to equip His followers for outstanding service, to witness, to be one in service, to service and to pray. "The hardest thing in the world is to pray," he said. "I mean, to pray through, to carry on to the end of the race to victory."

## DROUTH SLASHES EARLIER ESTIMATES FOR BUMPER CORN CROP

Drouth conditions in the west-ern corn belt caused a sharp revision downward of mid-summer predictions for a bumper corn crop. Approximately 100,000,000 bushels were slashed off

the latest estimates. This map, prepared by the U. S. department of agriculture, shows the principal corn states with their anticipated crops in millions of bushels, their 1936 crop, and the five-year crop average.

### BREAK FOR BRUNETTES

"Where are the blonds of yesterday?" writes G. M. L., plaintively adding, "I have just returned from a world 'cruise' and am amazed to find that the thousands of platinum blonds who were seen on every hand—or shall I say on every arm—before I went away, have almost completely disappeared. Whither are the girls 'heading'?"

Well, I should say, brother, that most of them are heading for the bottle, marked "medium brown," on the upper shelf. Of course, my guess may be wrong, we may be facing a rash of redheads. But, in either case the glamorous platinum blond has done a "fadeout." This, also, can be traced directly to the protests of the man who rebelled against the monotony of having to look at thousands of women—all so exactly alike as a row of lighted street-lamps.

We overdid it, as we women do every fashion. But the main trouble was not convincing. The brunet could bleach her hair down to the roots, but she couldn't blonde her temperament. And, next to a mop of honey-colored hair, the most enviable thing about a natural blond is her serene and placid temperament. That calm, cheerful tranquility—that self-complacent, easy-going sangfroid, which nothing but a bomb or an earthquake can disturb.

Brunettes are said to be more stimulating than blonds, but they are also inclined to have moods, emotions, fervent likes and dislikes—and sometimes even brains and opinions—all of which get on a man's nerves and make him long for a blond.

But when the peak of the vogue for platinum hair arrived, the blond lost her reputation as a sensation on an antidote. Yet, no matter how hairless, how angelic, how completely blond the girl looked, there was always a suspicion that she might have red-headed dynamic or dark-eyed impetuosity beneath her lovely hair. And many a man thought he was leading a human cargo of honey to the altar, only to discover too late that he had annexed the tabasco.

Ever since I can remember, I have admired and envied blonde extravagantly. But that began when a blond was real and rare and refreshing, and peroxide was used only as a medicine, for a cut finger. Next to a kidnaper or a bandit there was nothing which the average woman feared so much as a blond. Now, alas, the plat-

num epidemic has changed all that, and it will be years before the present reduced blond-power regains its former high voltage. What will the girls do now when they tire of the natural color of their hair and long for a change? Cheer up! Most gentlemen will always "prefer blonds." The depression in the blond-market is only temporary. Give us brunets a break! It's our turn!

## HARVEST FESTIVAL PLANNED BY CHURCH

Final arrangements for a harvest festival Sunday at the Salem Evangelical and Reformed church were made at a meeting of the church board Tuesday night. Leo Keller, president, was in charge of the meeting.

The board suggested that the fruit and vegetable for the Sunday, decorating be taken to the church on Saturday.

The first Sunday night of each month was set aside for the harvest festival.

**Tells Court Her Husband  
Beat Her; Cites "Attempted  
Abduction" of Daughter.**

CHICAGO, Sept. 24—Irene Castle McLaughlin, dancing star who defied the stage to fight a stormy, 15-year battle for divorce to dumb animals, yesterday asked a divorce on grounds of cruelty from Maj. Frederick McLaughlin, millionaire sportsman and manufacturer.

Mrs. McLaughlin said her action was precipitated by her husband's attempted "abduction" of her 12-year-old daughter Barbara Irene, from in front of the hotel where Mrs. McLaughlin and her two children had been staying.

Because of the abduction, "Mrs. McLaughlin no longer believes that her suit can be adjusted without loss of her husband's friendship," her attorney, Robert Cartwright, said. The couple separated July 7, he said, and were negotiating for a reconciliation "up until 24 hours ago" when the attempted abduction took place.

McLaughlin is president and principal owner of the Chicago Black Hawks hockey team, heads two coffee companies and has wide-

**J. H. WATTERS ON  
WORLD'S FAIR BOARD**

J. H. Watters, president and general manager of the Marion Steam Shovel Co., has been appointed a member of the Ohio unit of the national advisory committee of the New York World's fair to be held in 1939. The appointment was made by Grover Whalen, president of the fair corporation.

World received by Mr. Watters indicates the fair is in immediate

danger of running out of exhibit space despite the fact the opening is 20 months away. A total of 29 nations have to date become a part of the exposition, and exhibitors' projects already represent a total investment of \$55,000,000, Mr. Watters said.

He is one of 100 members of an Ohio advisory committee serving under the chairmanship of E. A. Deeds of Dayton.

**EUROPEAN SCENE VIEWED  
IN KIWANIS CLUB TALK**

O. W. U. Dean, 18 Years Overseas, Gives Background to Present Strife.

DEAN SOMERVILLE

"Hot Spots of Europe" was the topic of a talk on current European affairs given at the weekly luncheon meeting of the Kiwanis club yesterday noon at Hotel Marion by Joseph J. Somerville, dean of men at Ohio Wesleyan university in Delaware.

Dean Somerville spent 18 years in several European countries, most of which were within the boundaries of Russia, Germany, Latvia and Czechoslovakia, visiting a portion of the time in Siberia. He opened his talk with a brief sketch of the rise and fall of the Egyptian, Greek and Roman empires.

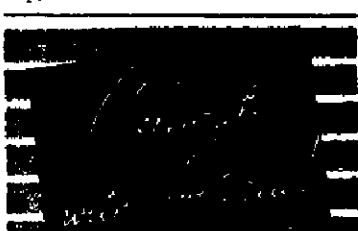

He pointed to the area about the Mediterranean sea as being the most important factor in both the rise and fall of the empires. Likewise in the current affairs, the Mediterranean area appears to be the center of developments. Dean Somerville said. He described the racial characteristics of the various countries, pointing out the fears and hates of each.

**Nationalistic Conditions**  
He related to the strong nationalistic feeling of every European country, especially as it affects the relationship of each with its natural enemies. Influences of various religions, Roman, Greek, Orthodox, Jewish and Protestant beliefs, were discussed in his discourse on the relationship between the European nations.

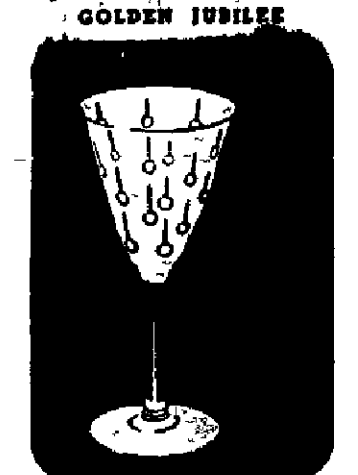

The result of all the influences of natural feelings, religion, and other side issues have developed the "totalitarian" state, a state sufficient within itself, the speaker said. Backing his statement he pointed to Germany, Italy, Russia and Poland as examples of "totalitarian" states. Each of the countries, he said, has the objective of being self-sufficient.

In the economic life, which does not recognize the boundaries of European countries or states, a different picture is presented, the speaker said in war-torn Spain.

Center street by Rev. Lawrence A. Wood of the Trinity Baptist church. Burial will be made in the Forest Glen Memorial park. The body may be viewed at the home Saturday and until funeral time Monday.

GOLDEN JUBILEE

Choose "Bridal Shower" for the Bride...

Patrons who select glassware for gifts frequently request that the little Fortoria label be left on. For this symbol "earnmarks" 50 years of master craftsmanship. It suggests that you, too, select crystal which will please your frequent guest.

The choice in Fortoria gifts is unlimited. But if it's to be cut stemware, the new "Bridal Shower" design is recommended as uniquely different from the ordinary. Its flawless simplicity will harmonize perfectly with the most modern table appointments.

Or should you prefer other patterns, our Fortoria Golden Jubilee Displays offer a wide selection in the newest of the new, all moderately priced. You are invited to see them.

said, each nation respecting the prowess of the others. Should trouble break out today on the continent the logical and natural line-up of countries would find England, France and Russia together, with Italy, Germany and Poland aligned, he said.

The speaker was introduced by K. H. Marshall, principal of Harding High school and member of the club's program committee. J. J. Huebner, president, was in charge and about 55 members attended.

Canned goods, tobacco and meats valued at about \$40 were taken from the Low Cabin market at 1015 North Main street last night by intruders who forced a window to gain entrance, according to a report to police. A screen was ripped away from a window at the south side of the building, indicating that entrance had been made after the window was forced open.

**Harding High Girl Reserves Launch Season With Tea**

**HARDING** High school Girl Reserves opened their season of activities yesterday with a tea at 4 o'clock in the school gymnasium. New girls, those from the junior high schools and seniors from the Thomas A. Edison Junior high school, and members of the advisory board of which Mrs. E. G. Stieritz is president, were guests.

Approximately 175 girls and women were present. Decorative centers were placed at vantage points and bowls of fall flowers, purple asters, peonies and white pompons predominating, decorated the serving table. At one end was a long blue banner with the Girl Reserves' insignia in white.

A short program consisted of piano numbers by Kathleen Kerns and readings by Elizabeth Blinn. Members of the advisory board and the officers were introduced. Mary Ann Knapp, president, and Virginia Llewellyn, vice president, presided at the long serving table. Other officers are Mary Ann Houghton, secretary, Kathleen Kerns, treasurer, and Jean Spaul, chaplain.

The next meeting will be a picnic Oct. 7 at McKinley park. Treasures for the meetings will be held in the school.

In a brief session at the park Robert Harrell and John Lane were named captains of teams for a membership, attendance and Bible memorizing contest which will start Sunday.

**SCHOOL INJUNCTION MADE PERMANENT**

The final chapter in the controversy over the 1936-37 redistricting program of the county board of education was written yesterday in common pleas court as Judge Hector S. Young made permanent the temporary injunction restraining the board from proceeding with the program. The restraining action was made permanent at the request of H. L. Dowler, counsel for the plaintiff, the Marion township school board.

The injunction is merely a technicality since the 1936-37 program was voided by the passing of the year during which it was to operate and during which the temporary injunction prevented its operation. The temporary injunction was granted Aug. 7, last year.

The redistricting program proposed seven new school districts, changing the boundaries of present districts. Wilhelm & Robinson are attorneys for the county board.

It was reported. The front door to the market was unlocked when the burglary was discovered this morning.

**King's Daughters Circle Launches Year's Activities**

Members of the Good Cheer circle of King's Daughters opened their season with a combined business and work meeting last evening at the home of Mrs. Harold Wise on East Center street.

Mrs. John Dowler, leader, appointed Miss Vivian Hall as finance chairman for the year, and Mrs. Harry L. Dowler work program chairman, named Mrs. Carl Campbell and Mrs. Harold Wise to serve on the program committee. Mrs. John Key was enrolled as a new member.

Mrs. John Dowler and Mrs. Don Hentze will represent the circle at the state King's Daughters convention to be held here Oct. 5, 6, and 7. A part of the evening was spent socially. Refreshments were served.

A meeting Oct. 14 will be with Mrs. Harold Carroll of 425 South Grand avenue.

**Weddings**

A pretty fall wedding was that of Miss Jean Elizabeth Samples, daughter of Mr. and Mrs. Charles E. Samples of 426 South Grand avenue, and Donald Conroy, son of Mr. and Mrs. Thomas Conroy of 281 Leader street, which took place Saturday, Sept. 18. The wedding is being announced today.

Dr. E. T. Waring, pastor of Epworth M. E. church, read the ceremony at his home on East Center street. The attendants were Miss Matthews and Paul Johnson.

The bride wore a chiffon gown in a thistle shade and Copenhagen blue trim. Her accessories were the trimming on her gown. Her bridesmaid was costumed in emerald green crepe and wore black accessories.

The bride attended Harding High school and Mr. Conroy attended St. Mary's school. The bridegroom is employed at the Marion Steam Shovel Co. plant. For the present, the couple will live with the bridegroom's parents.

Following the wedding Mr. and Mrs. Samples entertained with a family dinner at 4 o'clock with covers laid for more than 20. Out-of-town guests included Mrs. Harold Cressap and Mrs. Wilson Oswald of Barbours, and Mr. and Mrs. Robert Samples of Elvira.
